The Main Security Challenges in the Jenin Camp

The Islamic Jihad Terrorist Organization in the Area of Jenin

Approximately 25% of the population in the area of Jenin is affiliated with the Islamic Jihad terrorist organization. The organization's headquarters in Gaza and Syria invest vast efforts in providing funding, weapons and military training to terrorist operatives in the area of Jenin as a whole and particularly in the Jenin Camp, in order to operate against IDF soldiers and carry out attacks targeting Israeli civilians.

Hamas in the Area of Jenin

Approximately 20% of the population in the Jenin Area is affiliated with the Hamas terrorist organization. Hamas operates ceaselessly to strengthen its terrorist infrastructure in Jenin, publicly praises terrorist attacks of which source is in the Jenin area and incites the continuation of terrorist activity carried out by residents of the area of Jenin targeting Israeli civilians.

These terrorist organizations are attempting to ignite an escalation in the Judea and Samaria region and see the area of Jenin as fertile ground for their activity.
